Subject: HH2017COM09/12 - Flyer from 7th floor
Date: Tuesday, September 12, 2017 1:53:33 PM

Susan:

When I spoke with Diane this morning she said that a set of the paper flyers from Mark Berry was left in the PIO office on the 8th floor. These are EPA publications that we have more stock on although some of the web links on the flyers are out of date. We need to know if David approves any or all of these materials. The web links could be drawn through with a marker before distribution.

Thank you as always!!
